George Michael is one of the world's top pop music vocalists. This book tells how the boy from a working class background made it to the top of the music charts in countries all over the world. It tells the story of George's involvement with the group Wham and of the ④3 million deal with the Coca Cola company. George's songs, his music, his craft as well as his family, friends and life on and off the road are all included. His observations and comments on other musical stars are also quoted.
